POOL DETAILS

YES NO

1. **Are there any non-removable ladders, handrails, grabrails, or fillspouts?**
 a. A-B dimensions are required. Measure these obstructions after all pool points are finished. Include on sketch. Fill out "cutouts" section on A-B Worksheet.
2. **Are there any slide legs within 2 ft. of the pool's edge?**
 a. A-B dimensions are required to each leg. Measure these obstructions after all pool points are finished. Include on sketch. Fill out "cutouts" section on A-B Worksheet.
3. **Is there a dive stand requiring a cutout?**
 a. Distance from pool _____
 b. Width of stand _____
4. **Is the diving board removable?**
 a. Will a Y-Strap be required?
 b. At what point # _____
5. **Are there any grab rocks or dive rocks?**
 a. Please send photo.
 b. A-B dimensions are required at short intervals around pool side of rocks. Include in A-B. Include on sketch.
6. **Are there any waterfalls or rock formations?**
 a. Please send photo.
 b. A-B dimensions are required at short intervals around pool side of rocks and waterfalls. Include in A-B as you measure around the pool. Include on sketch.
7. **Is there any area of your deck less than 3' wide?**
 If yes, indicate that area on your A-B measurements.

YES NO

8. **Is there a spa?**
 a. Please send photo.
 b. Will spa be included in this quote/order?
 c. Is a separate cover required for spa?
 Distance between pool and spa at closest point _____
 d. Is spa raised above deck level?
 e. Is spa dividing wall flush with top of coping?
 f. Does spa wall have a spillway?
 A-B dimensions are required to locate spillway. Measure spillway after all pool points are finished.
9. **Is there a planter or grass area?**
 a. Please send photo.
 b. A-B dimensions are required. Measure planter or grass area after all pool points are finished. Include in sketch.
 c. Do you want Rayner to supply the lawn stakes? (# of stakes must not exceed 10% of total anchors for safety & warranty)
10. **Is there a raised deck area?**
 a. Please send photo.
 b. A-B dimensions are required. Measure all points at the same level as coping after all pool points are finished. Indicate on sketch.
 c. Raised deck from pt. _____ to pt. _____
 d. How high is it raised from deck level? _____
11. **Is there a raised wall, raised bond beam or raised planter?**
 a. Please send photo.
 b. A-B dimensions are needed at the beginning and end of wall and at small intervals along pool side of the wall. Measure all points at same level as coping.
 c. Can the wall be drilled into to hold wall anchors?
 d. What type of material is on the wall face? _____
 e. Height of wall? _____
